ISON Experience company
Addis Ababa

July 15th, 2022

Dear Sir or Madam,

By means of this letter I would like to inquire about the possibility of filling an outstanding job position at ISON Experience company. My preference would be to fill the position of call center.

I have completed my Computer Science and Engineering studies at Adama Science and Technology University. The studies focus on Computer Science as the topics of Telecommunication are extensively discussed. In order to make good use of my acquired knowledge and skills, I would like to work for ISON Experience company, in the position of call center.

I would describe myself as someone who is hardworking. I would like to put these characteristics to use within your organization. My experience in IT section at Berhan Bank, has provided me with the expertise to be able to make a valuable contribution to ISON Experience company in the position of call center.

I would like to further explain my motivation to work at ISON Experience company during a personal meeting. You can reach me either by phone via 0944714057 or by email via abdywak@gmail.com. Thank you for your consideration. I look forward to hearing from you.

Sincerely,

Abdy Fekadu
